HOW LONG HAVE YOU WORKED AT R&B'S?

6 months now and that has flown by!

DESCRIBE A TYPICAL DAY

A typical day is like a dog lover's paradise – all different dogs ready for a good play & plenty of cuddles. There's always a morning rush of excited dogs, followed by plenty of play & some rest time between!

WHAT IS THE BEST PART OF YOUR JOB?

The dogs of course! Getting to know all of the unique personalities and funny quirks. I also love nap time – I mean who wouldn't want to be cuddled up to lots of sleeping dogs?!

WHAT IS THE WORST PART OF YOUR JOB?

Saying goodbye to the dogs that pass on. It's heartbreaking and it never gets any easier.

WHY DO YOU LIKE WORKING AT R&B'S?

It's great to work for a family owned business and to work alongside like-minded colleagues that all share a common passion!

WHAT IS YOUR FAVOURITE FOOD?

Hard to say ... but most likely some tacos!

WHERE IS YOUR IDEAL HOLIDAY DESTINATION?

Either a sunny island with crystal clear waters or back to my hometown in Canada to visit the mountains!

WHAT IS YOUR BIGGEST ACHIEVEMENT?

Moving to the UK on my own at 17 to find my passion – and ending up doing exactly what I dreamed of! Being surrounded by dogs everyday!

WHAT 3 THINGS WOULD YOU TAKE TO A DESERT ISLAND?

My headphones, Coffee (couldn't survive without it) and a funny companion!
