

TEAM PROFILE

LUCY

APPRENTICE

FAVOURITE
DOG BREED:

Dalmation

HOW LONG HAVE YOU WORKED AT R&B'S?

6 months!

DESCRIBE A TYPICAL DAY

A working day at Rags & Bert's feels like a dream, not a job at all. I wake up excited to work every day as it never feels like work. Mostly here at Rags & Bert's it's about play time, along with caring for our boarders needs and ensuring they are as comfortable and happy as possible.

WHAT IS THE BEST PART OF YOUR JOB?

Being able to create bonds with of the dogs here, all different breeds and temperaments. It's amazing how you quickly you build love and trust with dogs that aren't even your own!

WHAT IS THE WORST PART OF YOUR JOB?

Seeing dogs leave our daycare! When there is a change in circumstances, it's always sad when you know you won't see your furry friend again.

WHY DO YOU LIKE WORKING AT R&B'S?

I think it provides hands on experience like no other. Every day is different, and you really learn that here and learn how to care for each dog differently.

WHAT IS YOUR FAVOURITE FOOD?

Very hard to choose, but I'd have to say either lasagne or a full English breakfast – you can't beat it!

WHERE IS YOUR IDEAL HOLIDAY DESTINATION?

Somewhere very sunny and hot of course!

WHAT 3 THINGS WOULD YOU TAKE TO A DESERT ISLAND?

A pilot, a plane and some snacks for whilst I'm waiting to leave.
